Dear Ms. Vant Hul:

The Board, at its July 14, 2020, meeting, considered the consultant's report regarding the Report of Program Records Survey.

The Board adopted the following recommendations:

1. Grant continued full approval for the Riverside City College Vocational Nursing Program for a four-year period beginning September 9, 2020 and issue a certificate accordingly.
2. Approve the program's ongoing admissions with the following stipulations:
 - a. The program's pattern of admissions will include admission of one full-time class of 70 students per calendar year, replacing graduating classes only.
 - b. The program director documents that adequate resources, i.e. faculty and facilities, are available to support each admitted class of students.
 - c. The program maintains an average annual pass rate that is compliant with Section 2530(l) of the Vocational Nursing Rules and Regulations.
3. Continue to require the program to comply with all approval standards in Article 4 of the Vocational Nursing Practice Act, commencing at Business and Professions Code Section 2880, and Article 5 of the California Code of Regulations, Title 16.
